

The Working to End Violence Partnership

The Working to End Violence Partnership is dedicated to ending violence in Saskatchewan.

The Partnership is pleased to provide start-up pet care kits to IPV shelters and transition houses who wish to co-shelter dogs and cats with clients.

**PET CARE KITS
FOR IPV
SHELTERS**

We recognize everyone in an abusive home is a victim — including pets.

Why do you need a kit?

Each kit will include the basic supplies to care for a dog or cat.

While we cannot completely eliminate the stress experienced by someone leaving an abusive situation, we can try to make things easier by providing access to a pet care kit. These kits will ensure that shelters can provide a safe place for victims of abuse and their pets to co-shelter.

WHAT'S INCLUDED?

Cat Kits

Items may vary slightly, however each cat kit will include:

- Dry cat food
- Food and water bowls
- Cat carrier
- Litter
- Litter box
- Litter Scoop
- Brush and nail clippers
- Scratching pad
- Cat bed
- Collar
- Toys

Dog Kits

Items may vary slightly, however each dog kit will include:

- Dry dog food
- Food and water bowls
- Dog crate
- Brush and nail clippers
- Poop disposal bags
- Dog bed
- Collar and leash
- Toys

Who can access the kits?

Access to the pet care kits is available to emergency shelters and transition houses in Saskatchewan on a first come, first served basis.

We ask that the kits be used for pets that are co-sheltering at an IPV shelter. Once a kit is received and it has been used by a pet, the shelter may choose to keep the kit for use by a future shelter user, or gift the kit to the survivor as they transition out of the shelter and into their new home.

The kits do not have to be returned to the Partnership at any time.
